### INTRODUCING THE 1995 SPECIAL OLYMPICS WORLD GAMES SILVER DOLLAR

#### A shining tribute to Special Olympics athletes everywhere

Whether you've never collected coins previously or are an avid collector, you'll appreciate the spirit behind the 1995 Special Olympics World Games Silver Dollar. The Special Olympics oath, "Let me win. But if I cannot win, let me be brave in the attempt," captures the essence of the Special Olympics. It's why all Special Olympics athletes are winners, no matter where they finish. It's been that way since the first Special Olympics Games were held in 1968. Since then the movement has grown spectacularly, and the spirit of shared achievement continues.

The will to win, captured in silver

Now, by an act of Congress, the U.S. Government officially recognizes the Special Olympics movement with a legal tender silver dollar. It makes history by marking the first time a nation has paid tribute, through a coin, to the achievements and contributions of people with mental retardation.
